

Economic Development Services

The City of Dallas' experienced, professional staff can support your business or development needs:

For medium to large corporations, consultations on Dallas development conditions, available incentives and business intelligence for:

- Existing Dallas corporations
- Relocating businesses (site selection information and assistance)
- International business consultation and site selection services

For small businesses, technical assistance and consultations on market conditions, finance options and incentives for:

- Existing small businesses
- Entrepreneurs starting a new business

For development projects, consultation and coordination for:

- Industrial projects
- Retail projects
- Office projects
- Mixed-use developments

These services are supplied by various OED Teams:

Business Expansion and Retention (BEAR) helps existing Dallas firms that are ready to expand or reposition their business (214-671-8049).

Business Recruitment works with companies and site selectors seeking a new Dallas presence, including new retail operations (214-670-5092).

Area Redevelopment supports developers to revitalize Dallas Neighborhoods with new housing, retail and mixed-use projects (214-670-1690).

Small Business Initiatives assists new and existing small firms through technical assistance, financing and consultations (214-670-8951).

Research and Information analyzes and publishes market and demographic statistics to assist firm's Dallas growth plans (214-670-3441).

Dallas also maintains teams dedicated to **Downtown** (214-670-4551), **Southern Dallas** (214-671-8951) and for **International** businesses (214-670-4454).
